AUTHOR'S STATEMENT

Article's title:.....

.....

that will be published in a scientific journal titled:.....

.....

The submitted article has been neither published nor sent to any other editorial office for publication purposes.

The author declares that this article is a subject to unlimited proprietary copyright of its respective owner and it does not infringe any copyrights held by third parties.

In relation to the editorial office's introduction of 'ghost-writing' and 'ghost authorship' barrier the author declares¹ that:

1. He is the only author of this article: its concept, premises and methods used in its production; the article does not have any undisclosed funding sources, contributions from scientific research institutions or from other organizations.

2. The following parties have been involved in the production of this article:....., co-authorship is credited to.....

In addition, the research, which resulted in the production of this article, has been financed by the following institutions:

The author transfers the proprietary copyright of this article to the publisher and authorizes him or her to use it in the following fields of use:

– one-time publication in a book, what is understood by the author as:

a) the right to maintain and publish this article in print as well as to make this publication available to the public,

b) the right to put the copies into circulation,

c) the right to make this article available on the Internet.

The field of use in the form of making this article available on the Internet is not limited by time, and the article can be accessed on different web portals and websites on the Internet with the possibility of copying it by the Internet users.

If there are any illustrations or materials in this article protected by copyright, the author commits himself to obtain and deliver a written authorization to be used by the publisher, to provide information about their sources as well as to bear any costs involved.

¹ If there are no individuals or institutions involved in the production or financing of this article, cross out subsection 2 together with empty spaces; if there are other institutions or individuals involved, cross out subsection 1, and write N/A when you leave a blank space.

The author acknowledges that he or she will not be entitled to the author's fee or any kind of remuneration due to the edition of this article by the Scientific Publishing House at the Pomeranian University in Słupsk (Akademia Pomorska w Słupsku). The author hereby waives all claims to the Pomeranian University in Słupsk.

The text of this article includes the reviewer's remarks.

I assure that this is the final form and content of the submitted article; I also agree to stylistic, linguistic and editorial corrections.

Pursuant to Article 6.1, a general regulation on the protection of personal data of 27 April 2016 (Official Journal of the European Union L 119 of 05/04/2016) (RODO) I agree my personal data to be processed by the Pomeranian Academy in Słupsk located at Arciszewskiego 22 A Street, 76-200 Słupsk in order to publish my article in the Scientific Publishers.

Pursuant to Article 13 of the General Regulation on the Protection of Personal Data of 27 April 2016 (Official Journal of the European Union L 119 from 04/05/2016) (RODO) we would like to inform you that:

1. The administrator of the data indicated in this application is the Pomeranian University with its headquarters at Arciszewskiego 22 A Street in Słupsk (postal code: 76-200).
2. The administrator has appointed the Data Protection Officer, who can be reached at: inspektor@apsl.edu.pl
3. Your data will be processed for the purpose and scope necessary to publish an article in the Scientific Publishers of the Pomeranian Academy in Słupsk based on Article 6 para. 1 lit a.
4. The personal data of the author along with the documentation of the monograph or magazine in which the article is published will be kept indefinitely.
5. Providing the data is voluntary, but necessary to publish the article.
6. The given data will not be subject to disclosure to third parties. Recipients of data will only be institutions authorized by law.
7. You have the right to access the content of the data and rectify it, delete or limit processing, as well as the right to object, demand the cessation of processing and data transfer, as well as the right to withdraw your consent at any time and the right to lodge a complaint to the supervisory body (i.e. President of the Office for the Protection of Personal Data).
8. The data provided by you will not be profiled.
9. The data controller does not intend to transfer personal data to a third country or an international organization.
